

For Saturday We Have Arranged a  
Special Presentation of

## 5.95 Wonder Hats

—of silver and gold, lustrous satins, and soft  
duvetyne—

Charming little silver and gold hats nod a gay  
greeting to hats of fur and brocade, which seem  
all ready to top the fur coat with their rich smart-  
ness and dashing ornaments.

Large and stunning dress hats contrast their  
striking lines with colorful and trigly smart models  
of satin, and softly draped duvetyne, each show-  
ing its individuality in cleverly posed pom-poms,  
feather fancies, or flowers. Two styles pictured.

## Girls' Party Frocks

of fine quality Crepe de Chine and Georgette Crepe.

Saturday at 16.50

—all new, fresh and exquisite, and joyously  
suggestive of junior parties and  
dancing classes.

Crepe de chine fashions a very dainty little blouse  
frock, which relies entirely on picot-edge ruching  
to embellish its skirt, neck and sleeves. Rivaling  
it in youthful grace is a delightful dress of geor-  
gette crepe, which chooses narrow ruffles as its  
special trimming, and completes itself with a  
broad moire sash.

Colors that any little girl will love—softest maize,  
peach, Nile, turquoise, jade and fuchsia—may be  
chosen in this charming group in sizes 6 to 16.
